

ACCESSORIES FOR IONIZERS

(KANGEN WATER MACHINES)

WELLON ORP METER

- Measure Range : 0 ~ \pm 1999m
- Resolution : 1 mv
- Accuracy : \pm 5mv
- Power Supply : 4*1.5V (AG-13 button Cell)
- Operating temperature : 0°C ~ 80°C
- Dimensions : 188mm*35mm*35mm*
- Weight : 118g

AMERICAN PINPOINT ORP METER

- Range REDOX/ORP instrument (-2,000 to +2,000 mV)
- 1mV digital resolution and an UltraPure Platinum electrode
- Probe comes with a 10 foot high suppression cable and a BNC connector

HYDROGEN METER

| Parameter | Measurement Range | Resolution | Accuracy |
|---------------------------------|-------------------------------|-------------------|----------|
| Hydrogen (H₂) | 0-2400 ppb (0.001-2.4 ppm) | 1 ppb / 0.001 ppm | ±2% |
| ORP | -1200 to +1200 mV | 5 mV | ±10 mV |
| pH | 0.00 - 14.00 pH | 0.01 pH | ±0.05 pH |
| Temperature | 0.1 - 60°C | 0.1°C | ±0.1°C |

ORP METER STORAGE LIQUID

- Probe Storage Fluid 60 mL
- Solution to ensure optimum performance of your pH and ORP probes/electrodes.
- Just refill the liquid in the probe bottle or dip the sensor into liquid when probe is not in use.
- Ready-to-use solution

ORP CALIBRATION POUCHES

- Calibrate your ORP meters instantly.
- +400 mV ORP setting
- 100% Made in USA.
- Use whenever reading of ORP meter is unstable.

KANGEN BAG 5L

- BPA Free
- Built in handle for easy carrying
- 5 Liters Hydration bag
- Alkaline, Ionized, Rapid Cellular, Rapid Hydration, Detoxify, Chlorine Free, Antioxidant Rich,
- Easy to drink and Chemical Free

KANGEN BAG 1L

- Increase Energy And Metabolism
- Reduce Bone Loss & Aging Process
- Deliver Powerful Antioxidants
- Zero Caffeine , Zero Calories
- High Hydrogen , Upto 9.5 pH , Chlorine Free

pH DROP

- Wide pH range from 4.0~10. 0 for most clear liquid
- Easily portable and simple to use, Instructions for use are included
- Easy to use squeeze bottle
- Instant results

ORP DROP

- Easy to use squeeze bottle
- Easily portable and simple to use, Instructions for use are included.
- Pour 1 inch of Water into the transparent glass and then put 5 to 8 drops of liquid in it to check the orp is positive or negative.

CHLORINE DROP

- Capacity per bottle: 10ml Bottle
- size: Height (about 6cm), diameter(about 2cm)
- High concentration, portable Application
- Drinking water, water purifier High concentration, portable Easy to use Anti-Reversal and leakage proof cap prevent the reagent to be polluted by air and avoid losing efficacy.

ORP COMBO SET

- An ORP meter measures very small voltages generated with a probe placed in ozonated water
- The electrode is made of platinum or gold, which reversibly loses its electrons to the oxidizer
- A voltage is generated which is compared to a silver (reference) electrode in a silver salt solution, similar to a pH probe

TDS Meter

- Measurement range : 0-9990 ppm
- Tolerance accuracy : $\% \pm 2$
- Battery : 2×LR44 button battery
- Operating temperature 0~50°C
- Size 155×31×23 mm

pH Meter

- pH Range: 0.0 - 14.0
- pH Resolution: 0.1
- pH Accuracy: ± 0.1 pH (20°C), ± 0.2
- pH Operating Temperature: 0 - 50°C (32 - 122°F)
- Weight: 65 gm Size: 15 x 3 x 1.5 cm
- Digital PH meter with LCD display 100% Brand New

Wellon Gold TDS-5G

- Wellon Gold 3 in 1 TDS Meter TDS, Productivity & Temp Water Monitoring Device
- Measuring Range -1) TDS:0~9990ppm, 2) Conductivity : 0~9990 us/cm
- Auto shut off - 5 Minutes, Accuracy : ± 0.1 C, Temperature:0-99 C & 32-212 F
- Smart Function : Auto checking & lock, TDS40ppm -Red Light

Hydrogen Water Bottles

- Negative ORP
- USB Charging
- Instant & Portable
- No Chemical No Synthetic

PURPLE BOTTLE (1 ltr)

- Measurement range : 0-9990 ppm
- Tolerance accuracy : %±2
- Battery : 2×LR44 button battery
- Operating temperature 0~50°C
- Size 155×31×23 mm

NANO BEAUTY WATER SPRAY

- The handy facial steamer can be used as a portable charger, power capacity is 150 mAh which can charge your cell phone for more than 1 hour.
- Water tank capacity for a consistent water replenishment, more convenient to use and keep sanitize yourself and your belongings anywhere and anytime.

40 LPH RO

- 40 Liter/Hour Purification Capacity
- Suitable for all types of water like salted, muddy and municipal etc
- 7 stages of filtration with RO+TDS
- Run upto **2000** Water TDS Level

70 LPH RO

- 70 L/hour purification capacity
- Quality membranes
- BNQS 300 GPD pumps
- Suitable for school, restaurant, offices and various areas
- Stainless steel skid

220V Value For Ionizer

- Voltage: AC 220V PORT SIZE:1/4 ORIFICE:2.5 WW
- Ionizer Solenoid Valve is used for kangen water
- pilot operated piston construction with low power consumption
- seal serves long time at steam ambient

pH Neutralizing Filter

- Wellon Antioxidant Alkaline Anti-Bacterial Anti-Ageing (AAAA Filter)
- This filter up of highly effective alkaline media ORP Media and micro-clustering media. which help you provide high quality water with its proven medical benefits.
- Improves water taste, Increases pH and lowers ORP

Water Softening Filter 10"

- Whole house filter, Borewell water filter, Overhead tank filter, Water softener
- Fresh and Clean water for bathing, More foam for detergent
- Water becomes more soft, reduces hair fall
- Prevents Staining on Bathroom & Kitchen Fixtures as well as Dishes, Dishwasher, Washing Machine and Clothes Provides Excellent Grooming & Cosmetic Benefits

Electrolysis Enhancer 500ml/1000ml

- The solution maintains the optimal electrolysis condition, thanks to its unique refinement technology.
- Processed Water - producing strong acidic water pH 2.5
- 100% Electrolysis Enhancer Fluid use to produce only Strong Acidic and High Alkaline Water, not for drinking water .

Citric Acid

- **Wellon Citric Acid for Deep Clean Ionizer Machine**
- **This is used for one time deep clean Ionizer machine once a year.**
- **Use for disinfectant of bacteria, remove mold, mildew, and limescale, for cleaning only.**
- **Weight - 30 g Note: It is not for eat.**
